## How to use COOK CASH

COOK CASH is a gift certificate used and guaranteed by the Adel-Cook Chamber to promote the shop local program.

COOK CASH is issued in \$5, \$10 and \$20 denominations and is purchased by consumers at the Adel-Cook Chamber office.

COOK CASH is redeemable at face value

COOK CASH is accepted by local participating Chamber Member merchants in Cook County at face value and should be considered the same as cash.

If a purchase is less than the face value of the certificate, participating merchants will give change in cash to the presenter as with any cash transaction

COOK CASH has a special embossed seal on each bill that must be evident to the cashier before it can be accepted to ensure authenticity

Participating merchants are reimbursed by the Adel Cook Chamber of Commerce at full face value in form of check and should contact the Chamber with any questions
